

## The Community Group Coverack Space 2000

CS2000 was initially established in 1999 to fund the extra classroom 'space' in Coverack Primary School.

Since 1999 the group has continued to run events and activities to benefit the whole community. Coverack is now well known for its wide range of community events and activities that go on through out the year.

These include:

Monthly beach cleans, first Tuesday of every month.

Guided walks, on topics such as wild flowers, birds and geology.

Beach activities; sand sculpture competition, tide challenge and more.

Craft workshops, and theatre workshops and productions.

First Aid training and qualifications.

Sue Lewington art courses held 4 times in the year.

Community events such as: Coverack's Firework Night celebrations, Night of Twinkling Lights and the lantern procession at Coverack Christmas Tree Night. These have all become part of Coverack's calendar of events.

Projects set up and funded by CS2000 include...

Coverack community website [www.coverack.org.uk](http://www.coverack.org.uk)

The production of Coverack's What's On guide.

Coverack Village, Cornwall Facebook and Instagram accounts.

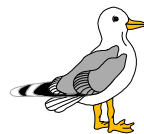

Monthly email updates to keep people in touch with events in Coverack.

Coverack Space 2000 has the aim to provide a wide range of experiences for everyone in this remote location. We try to be self funding, asking for donations at our events to cover the costs of expenses and insurance.

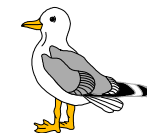

**We do not charge for 'What's On in Coverack' but would appreciate any donations to go towards our costs. Donations can be made at any of our events, at collection pots in Coverack Village Stores & The Old Mill Shop or via PayPal on [www.coverack.org.uk](http://www.coverack.org.uk)**

Please note this booklet is now made with a biodegradable laminate cover.

Please leave this newsletter in the area so that the information can be used by more people. If you have found this booklet in a holiday let, please leave it behind on your departure so that other visitors can support Coverack. Thank you.

please call Sue on 07851060880.

Please do not email about hedgehogs in an emergency,  
pick up the phone.

Email contact

coverackhedgehogrescue@gmail.com

Please look at the facebook page and see how  
you can help out.

## Coverack Space 2000 Community Group News:

This group maintains the [www.coverack.org.uk](http://www.coverack.org.uk) website and also Coverack Village Facebook and Instagram pages and provides a monthly update of What's On in Coverack, sent out by email and added to the Coverack website. The aim is to promote Coverack and to keep people in touch with what is going on in Coverack.

CS2000 usually run a busy programme of events throughout the year in order to be self-funding and to continue to provide community events in the future, as with so much this has not been possible for over a year now. We really do appreciate the online support. Thank you to those who have made donations through Pay Pal on the Coverack Village website. CS2000 have been lucky enough to received donations from friends near and far. Also thanks to those who have purchased 'Coverack' books through the website, all support is much appreciated.

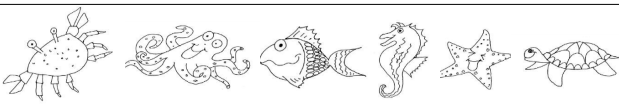

Having been CS2000 coordinator for 13 years, the time had come to pass on the job. This seemed the perfect time to hand over, as a lot of things are changing because of the times that we find ourselves in. A new person at this point can evolve and develop the role. It has been a job that I have really enjoyed but not easy to continue when working full time!

Due to a change in circumstances the planned hand over couldn't complete and this year will now be an 'interim year' with the Coordinator role on hold until next year when the new direction should be clearer.

The coordinator email will remain the point of contact. For 2021 we will produce just one 'What's On in Coverack' booklet but continue with the monthly email updates and a monthly blog post on the Coverack Village website reaching a wide audience with what is going on in Coverack. If you have any Coverack community or charity dates or information please send to [coordinator@coverack.org.uk](mailto:coordinator@coverack.org.uk) to go on the Coverack website and monthly email update.

I would like to take this opportunity to thank everyone who has supported CS2000 over the years and hopefully you will continue to do so. Coverack village has benefitted from CS2000 events and activities and hopefully that will continue long into the future. Coverack is a very special place, please keep doing what you do to keep it that way!

Best wishes, Caroline

'Little Fishes' Baby and Toddler Group. St Peters Church Hall, Coverack

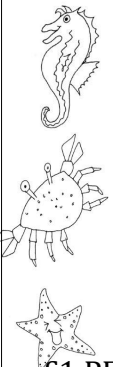

### Little Fishes, Baby and Toddler Group

St Peters Church hall, Coverack  
Every term time Thursday  
from 10am - 12pm

£1 PER FAMILY - Tea, coffee for parents and snack for the children included.

WE LOOK FORWARD TO MEETING YOU AND YOUR LITTLE ONES

Please contact Joan on 280337 for further information

For many years CS2000 has coordinated the pony checking rota at Chynhalls Point. The ponies help to keep the cliffs clear so that the wild flowers have a chance to grow. The ponies will continue to regularly graze at Chynhalls point, but The National Trust are now overseeing this rota, alongside their other pony checking at Poltesco and Beagles point. If you are interested in helping, please contact the National Trust.

Alongside Coverack's Beach Clean Day on the first Tuesday of every month many have used Lockdown to remove rubbish from the village and surrounding areas. Please help out whenever you can, safely collect rubbish, re use or recycle if possible and dispose of carefully. If we all do a little bit it will make a huge difference.

Peter Wood has planned a programme of Wild Flower guided walks in various locations around the Lizard Peninsula. This is reduced in number and capacity from previous years—please book if you would like to attend. The walks are well planned and informative, if you are interested please contact Peter on [woodpgs@gmail.com](mailto:woodpgs@gmail.com) (More details on the dates pages.) We would like to thank Peter, for putting this informative programme of walks in place, his hard work is much appreciated.

The Coverack website has proved a useful platform to reach people when meeting up in person has not been possible. Through various posts on our news pages, we have provided a PayPal button to raise funds for Restoration of the Fishermen's Rest, Coverack Christmas Lights and Coverack School PTFA. We are waiting to hear how we can best support Coverack School but as ever, we will support our small village school any way we can.

We would like to take this opportunity to thank all of those businesses that have paid to advertise in this booklet, their support is always appreciated and even more so during these challenging time. Also a big thank you to the Hotels, B&B's, self catering accommodation and campsites that pay to advertise on the Coverack website, this is also support that is very much appreciated.

## SALLY TULLY CERAMICS

(As seen on 'The great Pottery Throwdown')

Come along and see some of the finest locally made Ceramic; Glass, Resin and wood in one lovely space; 32 artists work. Fabulous gifts to suit all pockets and all made in Cornwall.

**Donations:** We use donations to help continue to provide a range of events throughout the year, promote what Coverack has to offer and cover our expenses and insurance costs. We are now in our 22<sup>nd</sup> year, thanks to support from the community. CS2000 now has a PayPal account and we welcome donations through [coverack.org.uk](http://coverack.org.uk) Thank you to those who have already made donations, it is much appreciated. Collection Pots in both Coverack Village Stores and The Old Mill Shop gather donations for the 'What's On in Coverack' booklets. This is much appreciated as the booklet is expensive to compile and print, this money goes towards these costs. Particular thanks to Henri and the team at Coverack Village Stores who sell second hand books to raise funds for CS2000 this income has been invaluable over the past year, also thank you to those who have donated and purchased books.

Originally set up in 1999, CS2000 was grant funded. Now we rely on donations to keep us going. Joan Kearsley is the Chair & Peter Wood is the Vice Chair. Brian Wooller has been Treasurer for a number of years but is now handing over to Peter Wood. 2021 will be an interim year for the Events Coordinator role but we still plan to run events, if a little more cautiously than in previous years, please see the dates pages for more details. Becca Carey is employed to keep the informative Coverack website up to date. A team of volunteers run the Coverack Village Community Facebook and Instagram pages that are overseen by CS2000.

CS2000 will plan to run events that are as safe as possible, we have put together a smaller programme this year. Please support the activities and events if you can. All donations are put back into the community group and help us to: support our village school, continue to run events and help to keep people informed about what is happening in Coverack, through the production of this What's On Coverack booklet, email updates Coverack website, Facebook and Instagram.

Coverack Space 2000's events coordinator contact is [coordinator@coverack.org.uk](mailto:coordinator@coverack.org.uk) or Tel 01326 281448

# Church News

Website [www.spireandlight.com](http://www.spireandlight.com)

St. Peter's Church Services Please wear a mask, sanitise hands and follow the social distancing guidance at all services until further notice.

## **St. Peter's Church 0930**

1<sup>st</sup> & 3<sup>rd</sup> Sundays - Holy Communion

2<sup>nd</sup>, 4<sup>th</sup> & 5<sup>th</sup> Sundays – Morning Worship

The Church is open for Private Prayer on Thursdays and Sundays 10am until 4pm

## **St. Keverne Church 1100**

1<sup>st</sup> Sunday – Morning Worship BCP & 3<sup>rd</sup> Sunday – Morning Service

2<sup>nd</sup>, 4<sup>th</sup> and 5<sup>th</sup> Sunday – Holy Communion

The Church is open for Private Prayer on Wednesdays and Sundays 10am until 4pm.

**Clergy** – We are grateful to Rev John Ough and Rev Deidre Mackrill, who have generously give their time and energy to lead services in Church and on Zoom on Sundays at 6pm for the time being.

**Website** – Mrs Rebecca Greenough has created a new website for all the Churches in the Benefice. Look see:- [www.spireandlight.com](http://www.spireandlight.com) to find St. Keverne and St. Peter's information.

**St Peter's Church Roof** The Church Roof was replaced in 1956 but now it is in a poor state and the cost for repair will be around £30,000. We have some donations already and finding some grant funding but we will need to reach out to the Community to get the job done. The Delabole slates are good but the copper fastenings are corroded due to the salty environment. We have allowed for 20% in the quote for breakages. The costs are for re felting and new fastenings to re hang the slates.

**The Way Forward** If you feel able to support this project to keep our church going, please use the donate by using the button on the CS2000 website page or via the Church link using the button, please quote 'St. Peter's Roof Fund' to make sure it arrives for the right account. If you prefer to donate by Bank Transfer please find details on the Spire and Light Website and by cheque make it out to St. Keverne PCC and place in an envelope marked St. P Church Roof Fund. If you have any new ideas about fund raising please let us know. Look out for posters to show any Fund Raising events as Lock Down eases. For further details ring Joan Kearsley 280337.

The Song Writer Joseph Scriven wrote 'What a Friend we had in Jesus' at just about the time that St. Peter's Church was built in 1886. For 136 years our church has been a Power House for Prayer. We cannot watch it fall down but bring new life here for Prayer, Praise and Fellowship as the Way Forward. The Pandemic has brought many to their knees for those who have suffered in so many ways, along with many comments in our Visitor Book. To pluck out just one from a recent entry: 'a real sense of God's presence here'.

St . Peter's Church Wardens

Mr Charles Patten and Mrs Joan Kearsley For further details ring (01326 280337)

Coverack school is lucky to have a Parent, Teacher and Friend's association which was set up to connect the school, it's pupils and teachers to the wider community and to bring people together to work towards a common goal. Its other vital role is to raise funds to enrich and enhance the pupil's primary school experience and bridge the gap for much needed extras that Government funding can't hope to cover in a very small rural school such as ours.

Over the years, a lot of hard work has gone into varied fundraising events such as Christmas and Easter Fayres, cake sales and the brilliant family fun annual obstacle race. This has enabled the children to be able to enjoy a broader extra curriculum, such as theatre trips to Minack and Truro and workshops to compliment the termly topics with fantastic people such as Squashbox and John Brolly which also helps to encourage their confidence and story telling. Monies raised are also so important for extra learning resources, sailing lessons, play equipment, leaver's hoodies, Christmas treats and the list goes on.

We are grateful to have had such amazing support but with the onset of the pandemic, like many other charities, our fundraising events have had to come to a halt as has all our in person interactions. Although our ability to raise money has been hindered, the things that are desperately needed at school remain. Going forward into the rest of the academic year, we still need to fund these elements that make a huge difference to the children's social and learning development. This is all the more heightened after many children were isolated at home during lockdown.

We understand that it is an incredibly difficult financial time for many at the moment but we hope if you feel fondly for Coverack School or may have visited one of our events to buy a cake, cup of tea or the like that you may be able to donate to help us keep supporting the school, teachers and pupils.

Thank you for taking the time to read this, if you have any other questions, please contact us at [coverackschoolptfa@gmail.com](mailto:coverackschoolptfa@gmail.com).

On behalf of Coverack PTFA, Zoe Holmes and Becky Cadman (Co-Chairs)

## Coverack School News.

As with all school PTFA's and charities, Coverack school PTFA has been unable to carry out its normal fund raising activities that provides essential support to the school children, due to the COVID 19 pandemic.

We have been so very lucky for the kind support, as always, from Coverack Space 2000, who have dedicated a space on their website where people have been able to donate to us, while we are unable to carry out our normal events.

Thank you to each and every person who has donated through the Coverack village website, your donations have meant so much to us, especially at this time. We are so very grateful to have the support we do, in our local community and beyond.

The children have settled well back into school life after being away from school again and we are so proud of them all for the resilience and dedication they have shown to their school work.

It would not have been possible for the children to receive such great lockdown schooling if it weren't for the tremendous efforts of each and every member of staff at Coverack school. Thank you.

In the coming months our year 6 children will be preparing for heading to secondary school, with the whole year group off to Mullion Comprehensive. This is the biggest year group within the school and they will all be missed when they set off on their next adventure. To miss the majority of your last two years at primary school has been tough on the children, but they have shown great maturity and steadfastness and we wish them all the luck for secondary school.

We hope over the coming months to revisit our diary and be able to put on some lovely summer events, all within Covid guidelines, to provide an opportunity for the school and community to come together and to raise more vital funds for the children ready for September.

Again, a heart felt thank you to everyone who has supported Coverack School PTFA.

We look forward to sharing with you the exciting opportunities, provided by your donations, in the near future.

Rebecca Cadman and Zoe Holmes

Coverack School PTFA Co-Chair

## Sue Lewington Art Courses in Coverack, 2021.

### Watercolour with Sue Lewington: Sept 24<sup>th</sup> - 26<sup>th</sup>

Aimed at developing individual painting skills and techniques with watercolour paint.

**Art, Books and Journals with Sue Lewington Oct 1<sup>st</sup> - 3<sup>rd</sup>** Exploring making and using personal sketch books and journals.

All courses are suitable for both beginners and more experienced artist. The courses run from a Friday through to Sunday and allow for much individual time with Sue (approx. 10 people on each course)

£205 for a 3 day course including light lunches from local businesses delivered to your studio space and a fresh homemade cake each day!

(All profits from this course go back to the community group CS2000

For more information, brochure and booking form visit our website

[www.coverack.org.uk](http://www.coverack.org.uk) or contact Caroline Beadle email:

[coordinator@coverack.org.uk](mailto:coordinator@coverack.org.uk) or tel 01326 281448. Gift Vouchers available.

This is a group for those wanting to swim with the **Coverack Bluetits**, a branch of **The Bluetits Chill Swimmers!**

No club fees, registration, rules, requirements or expectations. We are an informal, all-inclusive group who just like to swim together.

Some carry on throughout the winter months, some don't. We welcome anyone who wants to join in and swim with us whether it's regularly or every now and again. If you have wanted to take the plunge but don't fancy it on your own, then there is usually a swim most days. If you just fancy a chat and a paddle that is ok too! Our link to each other initially is the joy of challenging ourselves to potter in and around open water together throughout the year.

Find us on **Facebook** as **The Coverack BlueTits**, see you soon!

**Book Shop:** Coverack Village Stores sells second hand books £2 each, children's books £1 each, money from sales of the books goes to the Community group Coverack Space 2000—so please enjoy reading and help CS2000 activities to continue.

**Public Access Defibrillators:** Thanks to local fund raising and donations there are two defibrillators in Coverack. One is situated outside The Fisherman's Rest, at the top of the harbour. The other defibrillator is by the entrance to St Peter's Hall with signs from the road. To be used in emergencies only. The value of the defibrillators have been proved on more than one occasion in Coverack.

**Coverack Telephone Box,** a note from St Keverne Parish Council: We managed to get a reprieve for Porthallow and Porthoustock telephone boxes last year but they, together now with the one in Coverack Cove next to the toilets are under threat again. Residents may wish to add their weight to this by objecting to the Clerk of the Parish Council Grace Hatton [Lsc.mullion@btinternet.com](mailto:Lsc.mullion@btinternet.com) who will respond to Cornwall Council on behalf of the Parish Council. Cornwall Council will collate all responses and then send to BT. Cornwall Council has to make the recommendation to BT for keeping it. **Grace Hatton Clerk to St Keverne & Meneage Parish Councils Mail: [Lsc.mullion@btinternet.com](mailto:Lsc.mullion@btinternet.com)**

**Dolor Car Park:** There has been a substantial loss of land at Dolor Car Park, near The Lifeboat House and The Paris. Please park in North Corner car parks as you enter the village and leave parking spaces by the road for those who can't walk far.

**Email update:** If you would like to receive a monthly email update of 'What's On in Coverack' then please email [coordinator@coverack.org.uk](mailto:coordinator@coverack.org.uk) to be added to the list.

**Social Media:** Coverack Village, Cornwall can be found on both facebook and Instagram. Please like and follow to find out what is going on in Coverack all year round. These pages are dedicated to Coverack and will promote businesses that advertise in the What's On booklet and community & charity events. The page is run by volunteers and overseen by CS2000. Please feel free to post photos of Coverack that we can share. With well over 3000 followers on Facebook, it really helps to get Coverack noticed.

To contact email [coordinator@coverack.org.uk](mailto:coordinator@coverack.org.uk) or private message the Coverack Village, Cornwall Facebook page

## Coverack Village News

Those that know Coverack will know that it is the community events that are such a big part of life here. Unfortunately, there will be no Carnival, Regatta, Lifeboat Day, Horticultural show, Firework Night, again this year, so many events that we will miss...we will have to enjoy them twice as much when they resume!

One event that did manage to go ahead was **Coverack Christmas Lights**, there was no switch on night but the team of volunteers that work on Coverack Christmas Lights did a fantastic job. If you haven't seen Coverack at Christmas it is well worth a visit, you will find a different pace to summer. There are strings of lights right through the village and many different scenes and features. There is PayPal button on the Coverack Village website, if you would like to make a donation. Thank you to The Bay Hotel, who put on fund raising events for the lights in March 2020, this was the last village event before Lockdown and was much appreciated. We are looking forward to when fund raising events can happen again.

**Coverack Village Pisky Trails:** Cornish Pisky Pals continue to run Coverack Pisky Trails during every school holidays throughout the year. There have been some alterations to ensure that they are as safe as possible and now each Pisky is behind glass. If you own a property in Coverack and would be happy to host a pisky for any of the Pisky Trails please email: [info@cornishpisky.co.uk](mailto:info@cornishpisky.co.uk) the more properties that take part the more varied the Pisky Trail routes can be. The Pisky Trails attracts people to Coverack and they enjoy a safe, family fun activity, lots of businesses Coverack benefit from those that visit to take part in a Pisky Trail.

**Charity stall** at Battery Cottage, near Lambeage Hall, has been renewed for 2021, after the old one began to fall apart. Margaret Parkes ran the stall for many years, raising thousands of pounds for various charities. The present owner of Battery Cottage has kindly agreed to allow the stall to remain. People with surplus fruit, vegetables, flowers, or pot plants are invited to put them on the stall with a suggested price. If you prefer you could label your item as "Donation Please". One of Margaret's daughters, Sue, will collect any funds and will decide on which charities to support.

From reading this booklet you will have seen how the community and people with a close link to Coverack have pulled together to help restore and renovate the **Fisher-man's Rest**. There are more community buildings in Coverack that need a bit of TLC please see the information in this booklet about fund raising to help **St Peter's Church** with a new roof and the plans for the Lambeage Hall. Any assistance with these projects is greatly appreciated.

Remote Support and Tuition. Email hosting and web design

The chimney has been swept ready for another charity Christmas swim and cold Winter evenings when the snooker club and others use the Rest. The fireplace has been renovated by John Campbell. Long cushions, material supplied by Lyndsey of Corner Cottage and made by Bex, allow people to watch the snooker in action from the high bench. Also individually named cushions have been made for those who gave up so much of their time to help Hugh with all the work-Tony, Andy, Colin, John and Simon.

Hugh has also raised the level of the outside step which makes access easier.

We are waiting for the snooker table repairman to refurbish the table. He had a horrid time with COVID so we wish him well with his recovery. Carpet tiles will go under the table when he has finished where the concrete shows, so it looks smart to match the rest of the room! Also awaiting replacement in the big box on the wall is the model of the ship Ariadne, which is being renovated by Simon.

Have you noticed the new sign beside the door? Also the new noticeboard donated by Cyril Hart's family in memory of their father.

Once again we wish to thank all of you who have made the above possible and look forward to seeing everyone on the grand opening day in the not too distant future-socially distanced, of course! Social media and village noticeboards will let you know the date!

COVERACK HARBOUR

## Fisherman's Rest Update

Since our last update the Rest is looking amazing and almost completely re-furnished. It has been insulated to a very high standard by Hugh. The rotten water-logged beam has been replaced. Several volunteers arrived early one morning to help get the new beam in position with Raymond's digger doing the lifting! Naturally our official photographer was there to record this momentous occasion. The new kitchen is in and the water has been reconnected by Pip Kevern. The flooring has been polished and the walls painted. The dark wooden ceiling has been painted so everywhere looks lighter and fresher. The once rotten wooden cupboards at the back of the room are now used for storage, including the marquees. Hugh made new windows where the old kitchen was and new stripy blue curtains make the other windows more cheerful. The huge oar which was once used in the old lifeboats is hung from the ceiling.

Simon Atherton has reframed Ivor Thomas's portraits, which now look stunning and behind one of them he found another of David Pellow. A plaque identifies the name of each portrait. A lovely addition to the portraits is one of Ben painted by Simon Atherton's daughter, Naomi.

Tony Carey, the Chairman of the Rest, has rewired the lighting and put in new heaters. Many of the photos and pictures have been reframed by Sheila and most have been rehung on the walls. At present this is ongoing. The huge boards identifying the lifeboat incidents have been rehung-a difficult job as they are so heavy.

**BAY  
HOTEL**  
COVERACK

**Let the tide roll in.**

Perfectly located for coastal walkers, kayakers and sailors looking for a friendly retreat on Coverack beach, every room in our small hotel overlooks the sea. We welcome locals, visitors (and dogs), serving cream teas and meals freshly prepared from locally sourced ingredients. Enjoy, relax, and soak up the view.

## **There are two Public Access Defibrillators in Coverack.**

One is situated by the door of  
**The Fisherman's Rest,**  
(near the top of the harbour.)

The other is situated on St Peter's Hall near the  
door, signed from the road.

**To be used in an emergency only.**

If you would like to attend training in the use of the defibrillator please  
contact Caroline email [coordinator@coverack.org.uk](mailto:coordinator@coverack.org.uk) or Tel 01326 281448

# *Lambeage hall*

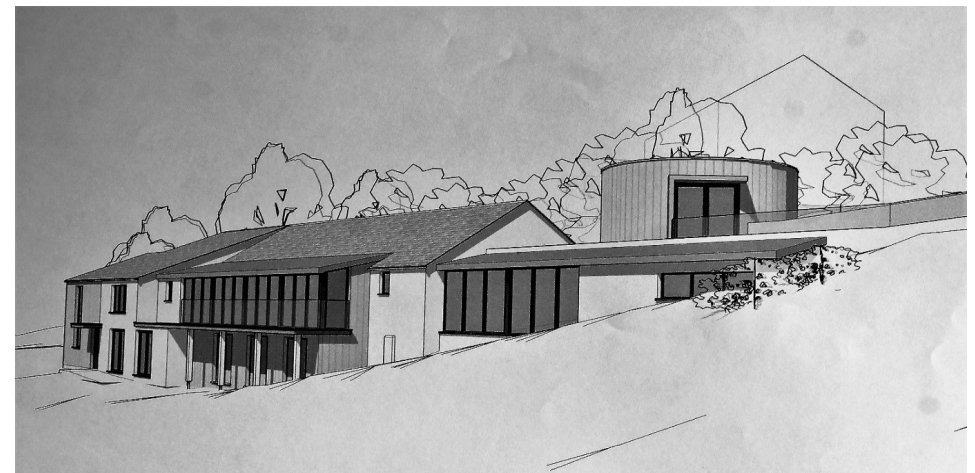

at the very heart of our community

Our village hall is full of character but can be tricky for the less ambulant to  
access. Fortunately we have a plan to address that!

Whether you live locally, or are visiting Coverack, you can help by:

- Making a donation via any committee member or on our website:  
<https://www.lambeagehall.org.uk/>
- Supporting our events as advertised in this booklet. Watch out for up to  
date information via local posters, our website or following us on  
facebook <https://www.facebook.com/lambeage/>
- Buying our OneLottery tickets. Only £1 per ticket, drawn each and every  
Saturday. Minimum commitment is 5 weeks. Every week one of our  
supporters does win a cash prize. Every ticket also gets a crack at the  
£25,000 national jackpot plus a third changing prize worth a few £100s.  
[https://www.onelottery.co.uk/support/lambeage-hall-and-battery-  
coverack](https://www.onelottery.co.uk/support/lambeage-hall-and-battery-coverack)

All proceeds from these 3 avenues go towards our access plans

We hope you also enjoy The Battery - our outdoor space and play area

## Keep Coverack Clean!

Please keep Coverack village clean. Please clear up after your dog and dispose of dog poo bags in the bins provided.

Many people have worked hard during Lockdown to keep Coverack Village and surrounding roads clear of rubbish. We can't organise Beach cleans and litter picks in the current climate but we can ask you all to do your bit! Please take litter home with you if possible and if you are able to safely litter pick, please do! Thank you.

## Beach Cleaning

Please help make the beaches around Coverack a cleaner and safer place. If you collect beach rubbish, please take it home or place it in a bin—do not leave it in a pile as it continues to do damage there and will just get washed back into the sea.

Please take care when collecting rubbish from the beach: make sure children are safe, supervised and be aware of the tides.

Please try to do a 5 minute beach clean each time you visit the beach - If everyone does this we will have a much cleaner beach!

When you are enjoying Coverack beach please make sure that you take your rubbish home with you and clear up after your dog.

Since CS2000 started organising Beach cleans in 2007 there has been a noticeable decrease in the number of plastic bottles and bags that get washed up, the rubbish is getting smaller but it still needs to be disposed of appropriately. Please help out when you can.

Many thanks for your support.

## Coverack Village Stores

***Our focus is on good quality, locally sourced produce***

Our shop is small but we try to have the groceries and household essentials people need including locally produced meats and cheese, cakes and biscuits, beers and wine, fresh bread and seasonal fruit and vegetables. We have wood in the winter and charcoal in the summer too.

If you are staying here and would like your shopping ready for you when you arrive please get in touch.

T 01326 280683

### Coverack Village—Businesses and the Community

Whether you are local or on holiday, a regular visitor or here for the first time...please try to use what is available in Coverack village. We are very fortunate in having a wonderful seascape, beach and a mix of independent businesses and voluntary organisations which combine to make Coverack what it is today.

**Car parking:** Due to erosion there is now very little parking available at the Harbour side of the village. If possible please park in car parks at North Corner, on the right as you enter the village, leaving the few spaces in the village for those who can't walk far. The car parks have honesty boxes and are run by the Parish Council, contributions are used for projects within the Parish and help towards the upkeep of the public toilets in the village.

There is an enclosed play area with swings and a slide, by the Lambeage Hall, on the left as you go up School Hill. At low tide there is a beautiful sandy beach and if the tide is in, the harbour is well worth a visit, although it should be noted that the harbour is privately owned and run by a board of local directors who allow the public to use the working harbour, please take care.

**Two sets of Public Toilets** are maintained by the Parish Council, one near the harbour and one by the Coach Car Park on North Corner side of the village. A Public phone box is near the public toilets by the harbour.

**Post Office Services** are available in St Peter's Hall on a Monday and Thursday afternoon between 1:30pm and 4:30pm. Please use these facilities so that we can continue to have Post Office facilities in the village.

**Post boxes:** Next to Coverack Village stores; at North Corner by the Bus shelter and at Penwartha estate at the top of the hill.

**Cash:** There is a cash machine in The Paris. Some shops offer a cash back service.

Coverack is a small community with a number of independent businesses; it manages to offer a wide and varied range of events, activities and facilities mainly in the Summer but throughout the year. It is only with support that everything keeps going – your support is very much appreciated.

# Porthgwara Nursing Home

Telephone No. 01326 280307 Email [info@porthwara.co.uk](mailto:info@porthwara.co.uk)

Family-owned and managed, Porthgwara is situated in Coverack, one of the Lizard Peninsula's memorable small fishing villages, renowned for its outstanding natural beauty and mild climate.

Our idyllic location means that residents enjoy superb panoramic sea harbour and village views, with the Home itself being surrounded by two acres of beautiful subtropical gardens.

Since our conception in 1989 we pride ourselves in having created and maintained an extremely friendly, warm and comfortable home from-home atmosphere allowing for freedom of choice and individuality. Our highly professional nursing, catering and domestic staff will see to your every need thus ensuring your well-being, peace of mind and security 24 hours a day.

We are registered with the Commission for Social Care Inspection to provide Nursing Care for 20 residents including old people, the terminally ill, and the physically disabled. We also have day care facilities for a maximum of 3 residents..
