

Coverack, January 2022.

We would like to thank all those people who are continuing to keep our little village and its occupants as safe as possible. Please support the small independent businesses in Coverack and follow any safety guidelines that they have in place, including the latest guidelines on facial coverings. Please contact individual businesses about their opening times. Thank you to everyone who has supported Coverack Space 2000's summer events, and to all those who have volunteered for us. Without your support, we wouldn't be able to run these popular community events or offer financial support for additional activities at Coverack School.

Please consider doing a 2 minute beach clean whenever you visit the beach – if everyone did this we would have a lot less litter in the sea. In the current climate please make sure you take particular care: wear gloves, safely dispose of the rubbish and wash your hands after.
