

## What's On in Coverack in October 2022

We would like to thank all those people who are continuing to keep our little village and its occupants as safe as possible. Please support the small independent businesses in Coverack. Please contact individual businesses about their opening times. Thank you to everyone who has supported Coverack Space 2000 in past events, and to all those who have volunteered for us. Without your support, we wouldn't be able to run these popular community events or offer financial support for additional activities at Coverack School.

### **St Peter's Church**

The repairs on the church roof start on Monday 26th September so the path from Chymbloth Way down past the Church Hall will be closed, as well as the path passing past the Church from the Lychgate. The access to the graves can be made via the Lychgate but otherwise it is a building site so strict Health and Safety Rules apply. The church will be closed apart from some Sundays. The job should be around six weeks. The scaffolding goes up and the Slates will be removed a side at a time, we just need to be aware that it is dangerous to have the public in the area where this work is taking place.

### **St Peter's Church**

The Services during the Roof Repairs will be limited to what we can fit in around the work schedule.

**Coverack Space 2000 Community Group:** This group was set up to raise funds for additional space at Coverack School, and has continued to organize events in the village, promote Coverack and support our small village School. It also maintains the Coverack Village Cornwall website, Coverack Village Facebook and Instagram pages and provides a monthly update of What's On in Coverack. CS2000 actively supported the recent campaign to keep all of Coverack School open and continue to support funding for wrap-around care for Coverack School children.

The sale of second hand books from the box outside Coverack Village Stores helps raise funds for CS2000 – thank you so much to everyone who has supported.
