

Sue Lewington Art Courses in Coverack, 2023

Watercolour Workshops with Sue Lewington

19th-21st May (Lambeage Hall) and 15th-17th September (St Peter's Hall)

Three days to explore both watercolour and Coverack.

We will be starting with simple sketching and basic watercolour techniques, going on to working outside in colour and pen to catch a sense of place.

Please bring your usual watercolour and drawing kit plus an A5 or A4 sketchbook. There will be paper available and some materials to borrow and try out.

It will be a small informal group with plenty of coffee and cake too!

Beginner's Bookbinding with Sue Lewington

12th-14th May (St Peter's Hall) and 22nd-24th September (Lambeage Hall)

Discover how easy it is to make your own sketchbooks and journals in a small informal group. We will then move on to sketch, watercolour, and collage techniques to have fun filling them.

Coverack is a great place to explore and start using your new-found skills.

Please bring your watercolour kit and basic drawing materials.

All book binding paper and materials will be supplied.

All courses are suitable for beginners and more experienced artists, and allow for much individual time with Sue (approx. 10 people per course).

£245 for a 3-day course, including light lunches from local businesses delivered to your studio space and a fresh homemade cake each day!

All profits from this course go to CS2000

For more information visit our website www.coverack.org.uk. To book, or for any questions, feel free to contact Dan at coordinator@coverack.org.uk.

Prices for attending one or two days of the course available on request.

Gift Vouchers available.
