

# CS2000 Monthly update!

November 2023

Watch this CS2000 Space!

The School had their annual harvest festival. It's always a joy to watch the children, from small to tall, singing traditional songs and reading self written poetry. The Dancing Vegetables were definitely a highlight for me! This was supposed to be in the church but storm Babet forced the decision to stay in the school but its always lovely to see the doors open to the public! There was tea and coffee served afterwards in the 'new' hall- the school has had a bit of a rearrangement, the old hall is now the KS1 classroom and the old classroom is now the dinner hall. The new classroom looks super smart and a much better set up for a mixed year group class! The school is going through a lot of changes and investment. It's great to see a new injection of care being put into it and encouraging to hear talk of the future. Thank you to all the staff involved in the growth, improvement and development of our school!

October half term is always fun in Coverack! The Pisky Trail is always popular and a great way to explore the village and get the kids out in the fresh air between showers. Thank you to Caroline for continuing to organize these for CS2000. The Twinkling Lights night is always a little bit smaller and more intimate compared to the bigger summer holiday display. It was a damp evening but still had the lovely, warming atmosphere the Twinkling Lights night has become famous for. I always feel really honored hosting this event because you can see how important it is to those that attend. The Duck race was another big hit this year. In comparison to last year the sun was out, the tide was better timed and the attendance was high! Thanks to the showers during the week the stream was running well and the race was nail biting to watch but there was a clear winner by the finish line. Well done to Ben, this year's duck racing champion. He's already talking about defending his title next year! Photos on the facebook page, Coverack Village.

A few school dates for your diary are- Tuesday 5th December, 5.30pm Coverack School Community Open Evening - open to everyone in the community who would like to come along, tour the school, meet the Head and the staff and members of Aspire, mince pies and cream!

Whole school Christmas Nativity in St Peter's Church, 6pm, Wednesday 13th December - all welcome, refreshments.

CS2000 was set up to raise funds for additional space at Coverack School, and has continued to organize events in the village, promote Coverack businesses and support our small village School. It also maintains the Coverack Village Cornwall website, Coverack Village Facebook and Instagram pages and provides a monthly update of What's On in Coverack and our annual What's On in Coverack guide.

## Essential Services:

**The Village Stores** is open 7 days a week selling all your convenience foods and a whole host of local goodies. The 2nd hand book stall is also there to support CS2000.

**The Post Office** is open on Mondays and Thursdays in St Peters Hall from 14:00- 16:00

## Village dates November

Pisky Trail available till the 6th of November. Trails available from Coverack Village Stores for £2.50. Proceeds go towards CS2000.
